

BRANCHING BY MOVEMENT

- Continue to work with creating the story in the tool you have decided to use.
- Create the file structure.
- Test the story in the wild!
- Rework what might need to be done and adjusted.
- Write the instructions.
- Add the branching points to the map.

HOW DID IT GO?

- Let's experience the stories!
- What was difficult, what went smoothly?
- What did you learn?
- Did you use AI?
How was it?
Was it helpful?
Was it good?
Is it still your work?
