

DESIGNING POST-HUMAN STORYWORLDS: INTERACTIVE AUDIO NARRATIVES

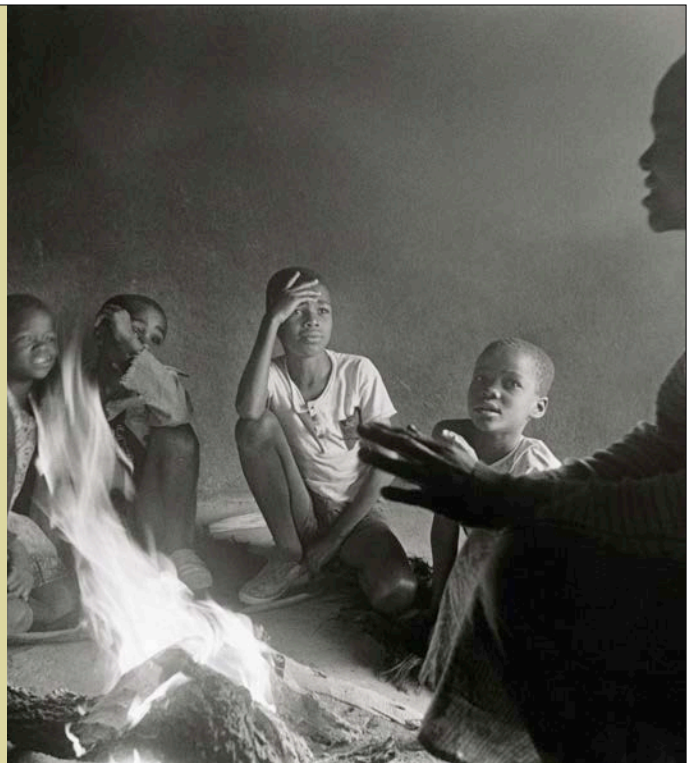

STORYLINE IDEATION

1-3-1

- 1- minute - Each team will get 3 words
- 3- minutes - Come up with a story using those words
- 1- minute - Each team presents their story

STORYLINE CREATION

- Start to discuss and sketch a story.
- It should be quite short (5-10 minutes?).
- Think about the genre/theme/plot.
- Reflect upon the point-of-view.
- Should it be linear or non-linear?
- Think about what you like and would enjoy.
- Get some coffee, and some fresh air.

Use GenAI for inspiration?

WHAT DID YOU COME UP WITH?

- The story idea in three sentences
- Which point-of-view?
- Is it linear or non-linear?
